Traveler Acknowledgement

General Terms

The traveler understands that this document is a test agreement prepared for internal validation of the Parrot Trips application experience. All names, dates, accommodations, addresses, prices, and itinerary items in this document are fictional or generic.

Payment and Package

The package described above includes only the items explicitly listed in this agreement. Optional activities, personal expenses, international flights, travel insurance, meals not listed, and independent transportation are not included unless separately confirmed in writing.

Traveler Responsibilities

The traveler is responsible for valid travel documents, passport accuracy, visa requirements, health requirements, insurance decisions, and punctual arrival for scheduled group activities.

Changes and Operations

Parrot Trips may adjust hotels, timings, transportation details, activity order, or meeting points when needed for safety, weather, supplier availability, or operational reasons.

Test Use Only

This agreement is not intended for legal execution. It is a sample document created to test the Service Agreement link and traveler-facing PDF experience inside the Parrot Trips app.
